### ADC1212D105HN/C1:5

Part Number: **ADC1212D105HN/C1:5**  
 Popis výrobku: IC ADC 105MHZ SOT804-3  
 Stav RoHs: Bez olova / V souladu RoHS  
 Datasheety: [ADC1212D105HN/C1:5.pdf](#)

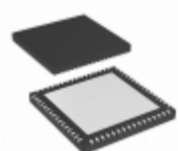

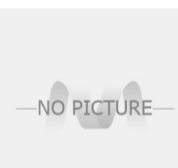

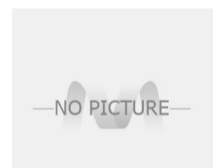

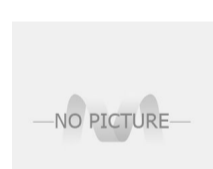

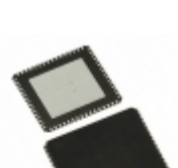

Výrobce / značka: IDT (Integrated Device Technology)  
 Odeslat z: Hong Kong  
 Cesta zásilky: DHL/Fedex/TNT/UPS/EMS

#### Detaily produktu

|                                   |                                        |                                           |                                                                       |
|-----------------------------------|----------------------------------------|-------------------------------------------|-----------------------------------------------------------------------|
| <b>Part Number</b>                | ADC1212D105HN/C1:5                     | <b>Výrobce</b>                            | IDT (Integrated Device Technology)                                    |
| <b>Popis</b>                      | IC ADC 105MHZ SOT804-3                 | <b>Stav volného vedení / RoHS</b>         | Bez olova / V souladu RoHS                                            |
| <b>Datový list</b>                | <a href="#">ADC1212D105HN/C1:5.pdf</a> |                                           |                                                                       |
| <b>Napětí - Supply, digitální</b> | 1.65 V ~ 3.6 V                         | <b>Napětí - Supply, analogový</b>         | 2.85 V ~ 3.4 V                                                        |
| <b>Dodavatel zařízení Package</b> | 64-HVQFN (9x9)                         | <b>Série</b>                              | -                                                                     |
| <b>Vzorkování (Per Second)</b>    | 105M                                   | <b>Typové označení</b>                    | External, Internal                                                    |
| <b>Poměr - S / H: ADC</b>         | 1:1                                    | <b>Obal</b>                               | Tray                                                                  |
| <b>Paket / krabice</b>            | 64-VFQFN Exposed Pad                   | <b>Provozní teplota</b>                   | -40°C ~ 85°C                                                          |
| <b>Počet vstupů</b>               | 2                                      | <b>Počet bitů</b>                         | 12                                                                    |
| <b>Počet převodníků A / D</b>     | 1                                      | <b>Úroveň citlivosti na vlhkost (MSL)</b> | 3 (168 Hours)                                                         |
| <b>Stav volného vedení / RoHS</b> | Lead free / RoHS Compliant             | <b>Typ vstupu</b>                         | Differential, Single Ended                                            |
| <b>Funkce</b>                     | Simultaneous Sampling                  | <b>Detailní popis</b>                     | 12 Bit Analog to Digital Converter 2 Input 1 Pipelined 64-HVQFN (9x9) |
| <b>Data Interface</b>             | LVDS - Parallel, Parallel              | <b>Konfigurace</b>                        | S/H-ADC                                                               |
| <b>Číslo základní části</b>       | ADC1212D                               | <b>Architektura</b>                       | Pipelined                                                             |
